Viacheslav(Slava) SHKIRSKIY, Ph.D., 35-year-old

Contacts:	viacheslav.shkirskiy@cnrs.fr http://slava-shkirskiy.org
Publications:	40 articles in total, 5 articles as the last author, 20 articles as corresponding author, (Small Methods, ACS Appl. Mater. Interfaces, ACS Anal. Chem., Electrochim. Acta etc.)
Research funding:	National Young Researcher Starting Grant (ANR JCJC 2022) , Marie-Curie individual fellowship - MSCA-IF 2018 (UK), DAAD fellowship (Germany)

Employment

2021 October - present	CNRS research fellow (Chargé de recherche) Université Paris Cité , ITODYS, Team PIXEL, Paris/France
2020 September - 2021 September	Post-doctoral researcher Université d'Angers , Moltech Anjou, Angers/France Team leaders: Dr. Christelle Gautier, Prof. Tony Breton "Electro-switchable fluorescent surfaces"
2018 June - 2020 May	University of Warwick , Electrochemistry and Interfaces group, Coventry/UK Team leader: Prof. Patrick Unwin "Nanoscale electrochemistry on light alloys"
2017 January - 2017 December	Max-Planck-Institut für Eisenforschung GmbH , Corrosion group, Düsseldorf/Germany Team leader: Dr. Michael Rohwerder "SKP study of the effect of CO ₂ on delamination kinetics"
2015 October - 2016 December, 2018 Jan-May	Institut de Recherche Chimie Paris , I2E, Paris/France Université Pierre et Marie Curie , LISE, Paris/France Team leaders: Dr. Vincent Vivier, Dr. Polina Volovitch "Methodology for studying metal polymer interface degradation"

Education

2025 September	HDR in physical and analytical chemistry (September 24) Université Paris Cité , Paris/France "Data-driven multi-scale corrosion discovery"
2012 October - 2015 September	PhD in physical and analytical chemistry (September 24) Université Pierre et Marie Curie , Chimie ParisTech, Paris/France Scientific supervisors: Dr. Polina Volovitch and Prof. Kevin Ogle "Corrosion inhibition of galvanized steel by LDH - inhibitor hybrids: Mechanisms of Inhibitor Release and Corrosion Reactions"
2007 - 2012	Bachelor and Master programs in physical chemistry Moscow State University , Moscow/Russia
